

Revelation Class 7 - Story of Scripture

Student Handout - 11/15/2020

Articulate, in your own words, the “problem of evil.”

How does the Bible deal with the “problem of evil?”

Read Revelation 6:1-8. Based on the Bible’s meta-story, of God working to bring his people back into union with himself, how are we to think about these horsemen?

Does Jesus cause war, sickness, and death?

Read Revelation 6:9-11. What is another indication that the seals aren’t judgment from Jesus?

Read Revelation 6:12-17. Is this the judgment? If not, then why are there all these cataclysms?

How are they related to the previous seals?
